

In conjunction with fire departments, corporate and non-profit partners, and government officials, the **American Red Cross** will be installing **FREE SMOKE ALARMS** and providing fire education steps in the Greater Rochester community and surrounding areas on **Saturday April 25, 2020.**

ALL households in the community are eligible for up to **three (3) FREE** smoke alarms regardless of household size, income, or location.

How does it work??

- 1) Call **585-241-4390** or email the American Red Cross at **smokealarms.grc@redcross.org** to request your free smoke alarms. An American Red Cross team member will then call you to schedule an appointment.
- 2) Once you have your time scheduled, a team of Red Cross volunteers will come to your home on **April 25th** with Smoke Alarms and Batteries. They will test your current alarms and replace them with new ones if needed.
- 3) During installation, Red Cross volunteers and staff will help your family develop a fire escape plan and discuss ways of fire prevention.

Since 2014, the American Red Cross has installed over 8,000 smoke alarms and have made 3200 homes safer in the Greater Rochester community!
